

# Christo Meiring

## Master Maker & Entrepreneur

Email: meiring.cw@gmail.com | Phone: +27 765202303 | Location: Kleinmond/Hermanus, South Africa

## Professional Profile

Creative entrepreneur with a strong foundation in computer science and web development, bridging technical expertise with artistic craftsmanship. Founder and co-founder of successful creative studios specializing in 3D printing, custom fabrication, and fandom-inspired design. Experienced in e-commerce management, digital marketing, brand development, AI-assisted workflows, and modern fabrication technologies.

## Professional Experience

- |                  |  |
|------------------|--|
| 2024 – Present   | <p>Co-founder – Hearth &amp; Forge Studios</p> <ul style="list-style-type: none"><li>• Co-founded premium fandom-inspired home décor studio.</li><li>• Direct product design, photography, marketing, and launches.</li><li>• Manage custom commissions and collaborative product lines.</li></ul> <p>ting campaigns and maintain online presence.</p>                             |
| 2020 – Present   | <p>Founder &amp; Maker – Bangarang Crafts</p> <ul style="list-style-type: none"><li>• Established and manage a creative studio specializing in custom tufted rugs and 3D-printed décor.</li><li>• Lead full product lifecycle: concept, design, production, and delivery.</li><li>• Manage e-commerce operations, branding, and client relations.</li><li>• Develop mark</li></ul> |
| Early Experience | <p>Retail Sales &amp; Customer Service</p> <p>Spent over 15 years in fast-paced retail environments, working with brands such as Pick &amp; Pay, Quicksilver, The Discounter, and Incredible Connection. Built strong foundations in customer service, sales, teamwork, and inventory management, skills that continue to inform my entrepreneurial ventures.</p>                  |
